

## Your Miracle is YOURS

Dear Friends,

June 2024

Miracles are still happening today! It's up to us to believe and receive them! There are so many moves of God and healing revivals sweeping the world, but many of us don't even realize they're happening. One of the reasons we don't hear about them is because we're too busy or too sidetracked with so many things bombarding our minds every day. Sadly, another reason is because most modern churches don't believe in healings or revivals any longer, so these things aren't being preached, much less believed! So we shouldn't be surprised that most people don't believe in miracles any longer. If the Word isn't preached, how can we have faith for miracles to come? Here at JMM, we know that faith comes by hearing and hearing by the Word of God (Romans 10:17). That's why we encourage all our friends and partners to *stay rooted* in the WORD and not rely on other people's experiences and encounters or chase after prophecies for answers and direction. The first and foremost way that God speaks to His people is through the WORD. When faith comes, that's when the *expectation* to receive your miracle comes.

Over the years, we've seen countless people receive miracles emotionally, physically, mentally and spiritually. We've seen families and marriages restored, cancers and other diseases completely healed, financial miracles, and deliverances from depression and mental illnesses. In last month's letter, we shared some recent powerful testimonies of physical healing. We're always so excited to share testimonies from friends and partners with you because it stirs up our faith and brings expectancy for our own miracles!

But with every powerful testimony we receive here at JMM, whether big or small, we *always* encourage people to make sure they hold on to their healing and NOT allow the enemy to take it away from them. Remember that satan is a thief (John 10:10)! A thief always takes what doesn't belong to him, and he usually takes it by force. Matthew 12 says this,

**43** *"When an unclean spirit goes out of a man, he goes through dry places, seeking rest, and finds none. 44 Then he says, 'I will return to my house from which I came.' And when he comes, he finds it empty, swept, and put in order. 45 Then he goes and takes with him seven other spirits more wicked than himself, and they enter and dwell there; and the last state of that man is worse than the first. So shall it also be with this wicked generation."*

Whenever you have been healed or delivered of any sickness or stronghold, you have "cleaned out your house", which is the spiritual state of a person. In the amplified translation it says, *"And when it (the unclean spirit) arrives, it finds the place unoccupied."* The enemy knows that when he tries to come back, he may find the house (your spiritual state) empty and unoccupied by the WORD. If we are healed and set free in any area, we have to make intentional time in our busy lives to keep ourselves filled up with the WORD daily (occupying it with the WORD). There are no exceptions to this. Just like our body needs physical food and water, our spirit man needs to feed on spiritual food (the WORD) as well. We easily make time to watch a movie or binge watch a Netflix or Amazon Prime series, but when it comes time to filling ourselves up with the WORD, we suddenly don't have the time. As soon as we let down our guard even for a moment, satan will force himself back in. Setting aside *intentional* time to spend with the Lord, in His presence, and His Word is vital to our spirit man.

Our relationship with the Lord is much like a natural relationship with a friend, parent or spouse. If a good friend or loving parent or spouse ignores you and stops talking to you, how would you feel? You would definitely feel rejected, abandoned, and used. We would never want to treat or be treated by anyone like this, much less our heavenly Father! If we become intentional about spending time in the Word with our Father, the enemy won't come back to find our "house" empty, because we've been working hard to fill it with the WORD. There won't be any room for the enemy to come in with his cohorts and make themselves at home! Hallelujah, praise the LORD!

Never underestimate a thief (satan)! He will come in when you least expect him to. You need to stand firm (Eph. 6:13), and tell the enemy he has the wrong address! You have to be so determined to hold onto your miracle, that satan won't be able to pry it out of your hands no matter how hard he may try. Your miracle belongs to YOU, don't let the devil steal it from you!

*"Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand." Ephesians 6:13*

Our vision here at John Militaru Ministries is, and always has been, to see the captives set free. Thank you, partner, for seeing and supporting this vision alongside us. You have been Holy Spirit-called to be a part of this harvest, and we thank God for bringing us together for one purpose only: to spread the Gospel of our Lord Jesus Christ! Together we want to **continue** seeing people saved, healed, delivered, and restored from every power of evil. We want to see every born-again, Bible-thumping, miracle-believing, Holy Spirit-filled Christian set free from emotional, physical, spiritual, mental, and financial bondage forever in Jesus name! We encourage you to stay rooted and grounded in the WORD so you can stay healed and set free from every form of bondage. If you've been healed or set free in a certain area but you find that the problem or sickness has crept back in, we are here to pray for you! We believe the Lord can show you where the open doors are for the enemy to keep sneaking his way back in. We aren't settling for a temporary healing or miracle! Jesus said, "So if the Son makes you free, you will be free indeed."

In His Service,
