

Praise the Lord, dear partners! And Happy Thanksgiving to our US Family!

God has been so good to us! There is so much to be thankful for! We're so grateful and honored that God has redeemed us from the curse of sin and death and transferred us into the kingdom of His dear Son, Jesus (Colossians 1:13)! Despite the darkness growing thicker and thicker all around us, a hunger for the move of God is more prevalent now than ever before. We meet and talk to partners from different parts of the world that have seen God move in their lives and families in mighty ways. We've seen prodigal sons and daughters returning home after years of praying and believing. We hear of marriages being restored, we receive testimonies weekly of people who've been set free and delivered from demonic strongholds and bondages. Many are being physically and emotionally healed. Recently God has been moving in unusual ways performing creative miracles. And most importantly, many are making Jesus their personal Lord and Savior and seeking a personal relationship with Him! This is the work that you and I have been Holy Spirit-called as partners to do together. We are DEpopulating hell and populating heaven one soul at a time! And together we will reap a great harvest here on earth and store up for ourselves treasures in heaven if we continue to fight the good fight of faith until we hear God say, "Well done, good and faithful servant." (Matthew 6:20, 25:23).

But it was right and commendable and noble of you to contribute for my needs and to share my difficulties with me. And you Philippians (JMM Partners) yourselves well know that in the early days of the Gospel ministry, when I left Macedonia, no church (assembly) entered into partnership with me and opened up [a debit and credit] account in giving and receiving except you only... Not that I seek or am eager for [your] gift, but I do seek and am eager for the fruit which increases to your credit [the harvest of blessing that is accumulating to your account]. Phil. 4:14-17

We are so excited to have John and Claudia back here in the states from their overseas trip (and that Donald Trump will be our President, again!). We praise the Lord for all the good reports that they brought back with them and we're so excited to share some of them with you this month! Because YOU, partner, are part of these praise reports. We're still receiving phone calls with praise reports from many who have been healed or touched in one way or another by their visit. And we give God ALL glory for that! John and Claudia had the privilege of visiting and preaching in churches and different home groups throughout Europe and saw firsthand how God is **still** healing, delivering and setting people free. Miracles are still happening on the earth today, friend! And He isn't finished yet! Amen.

The Spirit of God moved so heavily in our meetings, and we saw God performing powerful miracles and healings. One of the most amazing miracles we witnessed was when a precious woman received a creative miracle from a torn meniscus. In this particular meeting, John was teaching about believing God at His Word and claiming your healing by repeating after him. After John finished, he began to pray for those who needed healing and this woman said to herself, "Lord, remember me." Without even noticing that she was standing up straight without any pain in her knees, she realized she had experienced a creative miracle in her knee and she wasn't forgotten!

Another sister in Christ had horrible pain in her wrist. When John began to pray a healing prayer over the congregation, she felt two strong hands grip her wrists and the pain left her immediately! There was an Orthodox couple who came to a home meeting for the first time. They had been watching our programs through INEDIT TV and asked for prayer in their bodies. The husband suddenly felt a warm sensation all over his body, and his back pain was instantly gone! His wife was so overwhelmed by the

move of the Holy Spirit, that she had tears coming down her cheeks the entire time John was praying. Truly, the Holy Spirit is still searching and captivating the hearts of those who truly seek His face (Romans 8:27, 1 Cor. 2:10)! There were many Orthodox friends who attended this particular meeting who have been following this Ministry virtually for some time, and many of them were moved to tears because of the presence of the Holy Spirit. We will continue to pray that these precious souls will seek the Lord, be baptized in water, and have a personal relationship with Christ and not just a religion.

There was another precious woman who made such an impact on us during one of our meetings. She came into the meeting downcast, tired and discouraged in her soul because she had been believing God to heal her from cancer that returned back in her body. She left our meeting completely overjoyed and encouraged and praising the Lord with expectancy knowing that HE WILL come through for her healing and that she would indeed receive her MIRACLE. Throughout the years of ministering in various places, one thing is prevalent among people- the ones who come in with a mindset and attitude of expectancy, experience the move of God in their lives. They aren't overcome by their problems but, instead, come in expecting their miracle and almost always get it. We know from Romans 2:11 that God does not show partiality or favoritism to anyone. So what He did for them, He will do for you!

There were divine appointments with different people in different parts of Europe where John and Claudia visited that the Lord spoke to ahead of time through dreams or visions. There were healings of arthritis in fingers and toes, back pain healings, prostate issues disappearing, prodigal sons returning back to church for the first time in years, and depression and fear gone in Jesus name. John also had the opportunity to preach the Gospel to a group of Ukrainian refugees and many of them repeated the sinner's prayer. There were many other miracles that took place during and after our trip that we don't have enough room in this letter to tell you about, but the most amazing miracle of all is when souls gave their hearts to the Lord and were transferred from the kingdom of darkness to the Kingdom of His beloved Son! That is the greatest miracle of all time and we give God ALL the glory and praise for saving those who believe!

Coming back from this trip has given us all the more reason to be grateful and thankful to our Lord Jesus Christ especially going into the holiday season. This week, in just one day, Alexandra had the privilege of leading 3 new souls to Christ over the phone! Praise the Lord! We are more excited now than ever before for the work that the Lord has put us in together, dear partners. The Lord has so much more in store for our calling, our families, and our lives that we cannot begin to comprehend His plan for us. All He needs is our willingness to answer the call and continue doing the good work which He started in us until He brings it to full completion (Philippians 1:6)! And we're so thankful and blessed by faithful partners like you who **see and feel the vision of this Ministry**. Your constant, fervent prayers, faithful support, and obedience for this mission to reach souls around the world is so important to the work here at JMM!

We always thank God for all of you and continually mention you in our prayers. We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ.

For we know, brothers and sisters loved by God, that he has chosen you. 1 Thessalonians 1:2-4

In His Service,
John & Alexandra
